

## CLARK LYMAN DIES AT WYOMING HOME

---

Word was received here on Tuesday morning by relatives that Clark Ward Lyman, 44, former resident of Parowan, had died in Otto, Wyoming of Spotted (tick) fever. He leaves a widow, Maude Stubbs Lyman, and ten children, two of whom are married.

Clark's father Charles R. Lyman, also a native son of Parowan, died of the same malady in the same locality a few years ago. This fever, which usually is fatal, is caused by the bite of a species of sheep tick which infests sections of Wyoming.

None of the details concerning Clark's tragic death are available as this is written, - merely the bare facts of his death. The sympathy of the community will go out to the bereaved family in the loss of a kind husband and father.
